Any information we hold will be governed by the most current IG privacy notice displayed on our website(s).

Any reference to 'us', 'our', 'we' or 'IG' in this privacy notice is a reference to IG Limited as the context requires unless otherwise stated.

Similarly, any reference to 'you', 'your', 'yours' or 'yourself' in this privacy notice is a reference to any of our customers, potential customers, shareholders and others, as the context requires unless otherwise stated.

### OUR PRIVACY POLICY IS BASED ON OPENNESS

We are committed to being open and transparent about how we use personal information. Where our documents or interactions with you ask for personal information, we will generally state the purposes for its use and to whom it may be disclosed.

### WHY DO WE COLLECT PERSONAL INFORMATION?

Our business is to meet our customers' needs for a range of financial services. To do this effectively, we need to collect certain personal information. Please also note that because of the nature of the services we provide and our associated regulatory obligations we do not have the option of allowing you to deal with us on an anonymous basis.

### WHAT KIND OF PERSONAL INFORMATION DO WE ASK FOR?

Because of the nature of the products and services provided, government regulations and taxation laws (if applicable), we ask for a range of personal information from our customers. The type of personal information we may collect can include (but is not limited to) name, address, date of birth, gender, contact details, income, assets and liabilities, account balances, trading statements, financial statements, credit reporting information, employment details, location data and any other similar information.

We obtain most of the information directly from our customers through application or other forms, and from maintaining records of information provided in the course of ongoing customer service. We may also obtain information from other sources. For example, credit information or identity checks.

We may also obtain personal information about you through your use of our websites (including [www.dailyfx.com](http://www.dailyfx.com)), apps or through the use of cookies on our websites and/or apps, in particular by recording which pages you look at on our website(s).

We may ask for other information voluntarily from time to time (for example, through market research, surveys or special offers) to enable us to improve our service or consider the wider needs of our customers or potential customers.

We may record any communications, electronic, by telephone, in person or otherwise, that we have with you in relation to the services we provide to you and our relationship with you. These recordings will be our sole property and will constitute evidence of the communications between us. Such telephone conversations may be recorded without the use of a warning tone or any other further notice.

Further, if you visit any of our offices or premises, we may have CCTV, which will record your image.

If you choose not to provide the information we need to fulfil your request for a specific product or service, we may not be able to provide you with the requested product or service.

### HOW DO WE USE THIS INFORMATION AND WHO MAY WE DISCLOSE IT TO, INCLUDING CROSS BORDER DISCLOSURES

While we may send you marketing material from time to time that we think will be useful to you, we are conscious of the need to respect your privacy. Unless you are informed otherwise, the personal information we hold is used for establishing and managing your account, reviewing your ongoing needs, enhancing customer service and products and giving you ongoing information or opportunities that

we believe may be relevant to you. We may also use your personal information for business planning purposes including product development and internal research.

Depending on the product or service concerned and particular restrictions on sensitive information, this means that personal information may be disclosed to:

- other companies within the IG Group (including associated companies in the United Kingdom and elsewhere in the world) who provide financial and other services for the IG Group and their clients
- service providers and specialist advisers who have been contracted to provide us with administrative, IT, financial, regulatory, compliance, insurance, research or other services
- credit reporting or reference agencies
- introducing brokers with whom we have a mutual relationship (any of whom may be within or outside UAE)
- credit providers, courts, tribunals and regulatory authorities as agreed or authorised by law or our agreement with you
- anyone authorised by you, as specified by you or our agreement with you

Third party service providers such as credit-referencing agencies may keep a record of any searches performed on our behalf and may use the search details to assist other companies in performing their searches.

We may take reasonable steps to require that organisations both within and outside the IG group of companies who handle or obtain personal information as service providers to us acknowledge the confidentiality of this information, undertake to respect any individual's right to privacy and comply with either the DIFC rules or their local privacy regime and this privacy notice. You should be aware however that our ability to enforce DFSA Data Protection Rules or any other contractual privacy obligation against overseas recipients and to take action in relation to any breach may be very limited and/or far less effective than it would be if such recipients were UAE based.

Because the DIFC rules may not apply or be enforceable against some overseas recipients we understand that you may choose not to disclose your personal information to us. However, if you choose not to provide the information we need to fulfil your request for a specific product or service, we may not be able to provide you with the requested product or service.

### UNSOLICITED INFORMATION

If you provide us with personal information that we have not requested then we will endeavour to only retain the information that we are otherwise entitled to hold because of the products and services we provide. However, if this additional information is surplus to our requirements but is provided to us in a manner where it is combined with information that we are either required or entitled to retain then you acknowledge that this unsolicited information may be held by us in the same manner as the balance of your personal information.

### MARKETING OUR PRODUCTS AND SERVICES

As noted above, we may use your personal information to let you know about products and services or promotions or other opportunities in which you may be interested.
